(OTC BB: ELRA.OB)

#### **ELRA Holds 100% Rights to Cambodian Exploration Properties.**

The Company has successfully assembled a portfolio of heavily mineralized and highly prospective target properties in strategic locations in South East Asia. The portfolio includes three properties totaling over 15,000 hectares in Cambodia, one of the last frontiers for precious/base metal discovery and development. Mining has exploded in mineral-rich Cambodia, was only recently opened up to exploration using modern techniques. Cambodia has emerged as a stable and pro-business country in the region, with annual GDP growth expected to be 7.5% in 2008, according to the Asian Development Bank. ELRA hold 100 percent of the rights to these properties.

Elray Resources, Inc. is a junior exploration and development Corporation which has successfully accumulated a portfolio of highly prospective, heavily mineralized mining tenements in South East Asia. Elray Resources, Inc.'s, primary objective is to source projects, conduct geological assessments and seek Joint Venture partners to develop the properties.
